

Advisory Commission of Russian Federation

Letter of Thanks

Dear George Zambartas!

Advisory Commission of marine policy of Russian Federation expresses to you our great gratitude for your long-term participation in St.Petersburg's international seminars "The protection of shipowner's interests".

Your skills and professionalism in maritime law allow us to organise such seminars at the highest level and supports the growth of professional skills of specialists, who take part in it.

We believe, that also in the future you will continue to provide assistance to the Russian marine community, and elevate the level of knowledge of our maritime specialists.

We wish you that you fulfil all your objectives and attain further successful development.

With Best Regards,

The Chairman of Commission: A.V. Popov
